# Save the Dates

for all of the upcoming **Quantitative Reasoning Teaching & Learning workdays**

## What

These workdays support college and university quantitative reasoning faculty in sharing mathematics teaching and learning strategies.

## Who

Mathematics quantitative reasoning faculty and department chairs

- Community colleges
- Universities
- Full-time
- Part-time
- Adjunct
- Dual-credit
- Current QR instructors
- Potential QR instructors

## Participants will

- Reflect on and share personal pedagogical practices in quantitative reasoning courses during AY2018-2019,
- Engage with additional promising practices in curriculum and pedagogy, and
- Plan for implementation and continuous improvement throughout the coming year.
